

# Any Soldier®

Freedom isn't free! Just ask Any Soldier...

*Help your troop support OUR troops!*

Believe it or not, in this day and age, not every soldier serving our great nation overseas is outfitted with the assumed amount of everyday necessities. The *Any Soldier* program was initiated by Army Sergeant Brian Horn as a means of helping to better care for his soldiers.

As of 1 January, 2004, the *Any Soldier* effort has been expanded to include any member of the Armed Forces in harm's way.

The need is great, and helping our men and women is easy.

Boy Scout troops may collect basic needs for our soldiers and have their leaders bring them with them to the monthly Roundtable meetings. The following is a list of fairly commonly needed items:

Shaving supplies	Dental care
Shampoo, soap	Sunscreen
Eye drops	Nasal spray
Paperback books	Crossword puzzle books etc.
Lip balm	Nail clippers

Each month, we would ship to one soldier listed and recommended on the *Any Soldier* website ([www.anysoldier.com](http://www.anysoldier.com)) a care package of assorted goods as listed above. This is intended to be an ongoing effort until the need no longer exists. The only other contribution needed is for postage (\$11.00 per 20lbs of goods).

***Please help OUR troops by getting your troops involved!***
